

Weekly COVID update. In the last week, 3 students/employees with Shoshone School District have tested positive for COVID. Contact tracing has been done. If your child was determined to be a close contact notification has already been made.

It is important to watch for COVID symptoms. Contact your child's medical provider for guidance if your child develops any of the COVID-19 symptoms. Common symptoms include fever, cough, and shortness of breath, diarrhea, abdominal pain, and loss of smell or taste.

Please stay home if you are sick or have symptoms.
