Shannon Harris
Business Manager ext 311

Heather Wallace
District Clerk ext 310

The Shoshone School District invites bids for a gravel parking lot expansion project.
Bids must be received by November 18th at 4:00 pm.

PROJECT DESCRIPTION

The Shoshone School district currently has a gravel parking lot near the back entrance to the elementary school. The district plans on expanding the parking lot to allow for more parking, a bus turnaround, and potential bus parking. The ground is currently unimproved area. The area will need to be cleared and filled. The district believes enough fill exists near the proposed parking lot to complete the approximately ½ acre expansion. A short extension of a drainage pipe will be needed. Gravel will be needed to be provided to fill the area after the area is cleared and leveled.

PROJECT CONTACT

For an in person review of the project or to ask questions, please contact the Shoshone School District Maintenance Supervisor, John Larson. His number is 208-961-4126 and his email is John.larson@shoshonesd.org.

TIMELINE

This project is grant funded and must begin soon. Because of this the timelines for return of bids is short and the project needs to be completed before the beginning of 2021.

AWARD

Award will be made to the qualified offeror obtaining the highest score combining price and technical qualifications as determined by a small committee from the Shoshone School District.

BID SUBMITAL

We prefer bids be submitted via email to john.larson@shoshonesd.org. Bids may also be delivered in person to the school district office or mailed to 61 East HWY 24, Shoshone, Idaho 83352.

REJECTIONS OF PROPOSALS

The District reserves the right to reject any or all proposals in part or in full and to waive any technicalities or informalities as may best serve the interests of the District.
