From Our Principal Mrs. Nelsen

Dear Parents,

It's hard to imagine that April is already here! I hope you were able to spend some time with your child over spring break. I want to let you know Shoshone Elementary is buzzing with activity this month, and bring you up to date.

Most importantly, grades 3-5 state testing will begin April 17 and go until May 10. The ISATs are given each year in the spring, and are a measure of both your child's achievement and growth this year and also as a measure of our school's success in meeting your child's academic needs. Testing will be held in your child's regular classroom. Your child will take two tests in math and two tests in language arts. If your child is in 5th grade they will also take a science test. Your child will only be tested once weekly for five weeks. It is extremely important your child is at school for these tests. A schedule of the tests will be published soon.

The week of April 23-26, grades K-3 will take the Idaho Reading Indicator test (IRI). This is an annual test to measure the progress of your child's reading skills. Research has shown if a child is successful on this test, they have a greater chance of being a successful reader throughout life. Our trained test proctors will be giving the test individually to all K-3 students throughout the week.

Our second Storyline began April 2, and the culmination is scheduled for May 24, at 11:00 am. Please watch for additional information to come home as the date gets closer.

As always, please feel welcome to visit Shoshone Elementary. We are proud of our school and what we are accomplishing every day. We would love to share it with you.

Kindergarten Registration

Shoshone School District Kindergarten Registration for the 2018-2019 school year will be held in our kindergarten classrooms on Thursday, April 26, 5:30-8:00 p.m. Please bring your child, their official birth certificate, and current or completed immunization record. Registration and screening will take approximately 45 minutes.

Pre School Child Find

Shoshone School District will hold a pre-school eligibility screening on Thursday, April 26, 5:30-8:00 p.m. This service is available to all resident, 3-5 year old children. To be eligible for testing your child must turn 3 before May 18, 2018. If you have developmental concerns about your preschool child please call our elementary office at 886-2381 ext. 138 so we can schedule a screening appointment.

Leader in Me

Habit #7

SHARPEN THE SAW

Balance is best

- I take care of my body by eating right, Exercising, and getting enough sleep.
- I balance my time between school, extracurricular activities, family, and friends.
- I am always learning how to become a better person.

Parent Reading Tip: *It's great to tell and read favorite stories over and over again. Repetition helps your child learn. Each time your child hears a story he or she notices new things. They also become more and more familiar with the structure and sequence of stories.*

Kindergarten - Fifth Grade Students

present Movin "N" Groovin

Our kindergarten through fifth grade students are working on a musical program called Movin "N" Groovin. They are singing songs such as; Rockin' Robin, We Will Rock You and Under the Sea. These songs will be performed on Thursday, April 26, beginning at 2:50 p.m. in our big gym. Parents are invited to attend.

New Mission Statement
We would like to thank all our teachers, parents and students who voted for our new mission statement. The following statement won by 83% of the vote.

We Value everyone and
Make Connections.
We Inspire each other
to Dream Big.

World's Finest Chocolate Fundraiser
All World's Finest Chocolate orders and collected money is due by Thursday, April 5.
So far our students and parents have sold over \$6,000 in chocolates. Our goal is \$10,000.

Third Quarter & World's Finest Chocolate Fundraiser Awards Assembly

Our 3rd Quarter and World's Finest Chocolate Fundraiser awards assembly will be held on Thursday, April 12, at 2:50 p.m. in our lunchroom. Students will be recognized for outstanding academic achievement, citizenship, 3rd quarter perfect attendance, most improved and passport achievements. Parents are invited to attend.
