Report Calculations

((Carry Fwd + Gain - Mult. Gain) X School Days) = Actual Days

Actual Days - (Off Track + Days N/E + Days Absent) = Days Attd

[Days Attd / (Actual Days - Off Track - Days N/E)] X 100 = ADA%

[Note: Multiple gains are for students that entered more than one time during the report time span.

Parent Reading Tip

Here are a few techniques that you can try to encourage your child to improve and utilize their reading skills:

- If your child asks to go see a movie, ask them to look up the movie times.
- If your child loves to help you make dinner, let them select a recipe from a favorite cook book and read the steps to you.
- Encourage your child to read road signs, weather reports, store hours of operation, or emails from other family members.
