Child Find Screening for 3-5-year-olds

We will hold pre-eligibility screening for 3-5 year olds on Wednesday, April 19, 5:00-7:00 p.m. The purpose of this screening is to help us identify resident 3-5-year-old children delayed in learning. This delay could be due to social skills, self-care needs, physical development, gross/fine motor skills or in speech and language.

This service is available to only resident, 3-5-year-old children. To be eligible for testing your child must turn three before May 31, 2023 or five after September 1, 2023. If you have developmental concerns about your preschool child, please call our elementary office at 886-2381 ext. 138 so we can schedule a screening appointment.
